

Appendix G

KENNEBEC RIVER INITIATIVE

CATALOGUE OF PARTNERS

Listed here are current and potential project partners working in the Kennebec River Corridor. Listed contact persons may or may not be in charge of projects on the Kennebec. They can at least direct you to the appropriate person to learn more about current activities or entertain proposals for new projects and partnerships.

Note: A list of some of the private landowners in the corridor was given separately to the project director to be used in confidence.
