

SYSTEMN *Rain Barrel*

- Saves water and cuts household water bills by up to 40%
- Excellent water source for lawns, indoor/outdoor plants and gardens, free from chlorine and other water treatment chemicals
- Lowers municipal water demands and saves energy used in water treatment facilities
- Reduces water pollution by reducing stormwater runoff which can contain oil, grease, fertilizers and sediment
- 55 gallon (208L) capacity
- Ideal shape for stability and ease of use, animal and child proof
- Made from High Density Poly-Ethylene (HDPE), with up to 50% recycled plastic
- Incorporated mosquito mesh keeps out bugs and leaves
- Overflow capability to another SYSTEMN or to ground run-off
- Easily attaches to your existing downspout system
- Tan in color (shown) – custom colors available
- Accessories included
